Yes [] No [] Details: _____

Please indicate which camp you wish for your child to attend:

[] Sensory Exploration Camp (2 years to 4 years): July 13-16 from 9-11:00 am.

Research shows that children learn through sensory play and exploration. This camp will provide a sensory-rich environment to encourage development of age appropriate sensory processing and motor skills. This camp is sure to be tons of sensory fun! Space is limited. Cost is \$150/child.

[] Perfecting Printing Camp (Entering K-3): July 20-23 from 9-11:00 am.

This camp's primary focus will be on facilitating fine motor skills for an efficient pencil grasp, visual motor skills required for writing, and teaching correct letter and number formations using multi-sensory techniques and fun games to increase overall motivation and effort. The material utilized will be individualized for each attending child. Each child will receive workbooks and supplies to use during camp and at home. Space is limited. Cost is \$195/child.

I give Sensory in Motion Therapy services and those directing the above camps permission to work with my child. I understand that payment is due in full on the first day of said camp.
